# the LITTLE BEACON

Vol. XXI No. 32 St. Cloud Hospital July 14, 1974

## HAPPY CAREFREE DAYS

I like the happy, carefree days  
That summer always brings...  
The sweet smell of the rose,  
The robin as he sings.

I like the many little joys  
That make the summer bright,  
I wish that it would stay and stay  
And never would take flight.

I like to see the apple tree,  
Bowing to the ground  
With red and yellow apples,  
So tasty and so round.

I like the family gatherings,  
The picnics in the park...  
Their memories help to warm me  
When winter's day is dark.

I like the star-bright evenings,  
As I sit outdoors and swing,  
I like the happy, carefree days  
That only summer brings
