Successful Mentoring Relationships

Mary Leyk MSN, RN-BC, ONC  Colleen Porwoll BSN, RN, ONC
Bone and Joint Center, St. Cloud Hospital

Unit Structure:
- Annual mentor training program
- One-hour meetings: 4 for RNs and their mentor, 3 for LPNs and their mentor
- Formal meetings can occur outside of the workplace
- Quarterly Mentor Support meetings

Process:
- RNs and LPNs are assigned a mentor at their 4-month new hire eval
- Novice nurses complete a confidence scale with Educator
- Novices identify strengths and weaknesses with mentor
- Formal meetings every 3-4 months away from work setting if able: up to 18 months for RNs and 12 months for LPNs
- Goals set at each meeting with support from mentor aimed for successful nursing practice
- 4-6 informal meetings including in person, text or email

BENEFITS to Novice:
A mentor:
- Advises, teaches and guides
- Supports and encourages
- Inspires, motivates and empowers
- Provides recognition and builds confidence
- Offers honest criticism and constructive feedback
- Helps to establish and maintain professional relationships
- Promotes professional development
- Challenges the novice
- Assists with career mobility
- Develops trust
- Recognizes novice accomplishments
- Protects new nurse

BENEFITS to Mentor:
- Development professionally
- Role model
- Personal satisfaction and growth
- Create a legacy
- Strengthens the profession
- Provides support for new nurses
- Builds confidence

BENEFITS to Facility:
- Retention and reduction of turnover – 50% turnover rate who did not have a mentor while only 10% turnover of staff with mentors
- Decreases the risk of lateral violence
- Greater commitment to the organization
- Job satisfaction
- Recruitment improvement
- Leadership development
- Improved quality of patient care

FLOOR RESULTS:
- 100% of mentors clinical ladder
- 100% of Mentors are engaged on the unit*
- 70% RN Mentors are Nationally Certified
- 62% of staff engaged on unit*
- Staff confidence in nursing skills increased
- Program has been shared with other departments

*committee member, working on unit project, staff teaching
